OneClick is the bright side to paying bills

When we talk about OPECU's "convenient" services – those that make life easier for you or are right at your fingertips -- we have to talk about OneClick, our bill payer service

In October 2016, our bill pay service was enhanced and the name changed to OneClick. In order to have this convenient service, you must have a checking account with us and be registered in Virtual Branch.

Why? All payments must come out of checking (not savings) and our bill pay service may someday be inside our online service, which then would require all members who use it to be registered in VB. With that in the future, we decided to make it a requirement upfront.

Why use OneClick? Let's look at the features:

- ✓ It is convenient – as close as your PC or your phone.
- ✓ It is easy to use. Push the button and watch a demonstration any time you want.
- ✓ All your bills can be in one place.
- ✓ There will be no more checks to write, saving you time and money.
- ✓ No need to mail your bills, saving you time and money.
- ✓ Bills can be paid when you want or scheduled for a certain time each month.
- ✓ Amounts to pay can be changed with only a few mouse clicks.
- ✓ You can set up monthly payments, quarterly payments or even annual payments.
- ✓ You can send money to an individual.
- ✓ It is free!

A message from your CU president

There are more features to like such as E-Bills, gift checks, etc. Watch a demonstration to learn how easy and convenient it can all be.

Here's how it works:

1. Register and set up your bill(s).
2. Schedule the days you want to pay particular bill(s). Keep in mind that this is NOT an instant service, *unless* you pay extra to make it so.

It is standard to schedule the payment five days from its due date. Once you schedule, the program will show you when the payment should arrive.

3. Payments for bills come out of your OPECU checking account which has 24 hours to deny the withdrawal. (While we have not denied any yet, we have the right to do so).

4. The payment is sent after the 24 hours, usually electronically, but sometimes a check has to be created by the program and sent that way.

5. The payment arrives.

Why schedule for five days out? On Day One, the payment exits your account; Day Two is the 24-hour wait; Day Three is the payment. If it happens on a weekend, there are two days when nothing happens as most places only work Monday to Friday. Five days keeps things on the safe side.

Some people say they pay at the business. Sure, that's convenient if you want to go from business to business to business. Here, it's all in one convenient spot! Check out a demo. See if it is right for you.

STOP!

Have you been called by someone saying someone you know is:

- ✓ in jail?
 - ✓ in a hospital?
 - ✓ just been robbed?
- AND they needed money now?

Were you told that you:

- ✓ owe the IRS money?
- ✓ won the lottery?

If you were, this is a **SCAM!**
DO **NOT** SEND YOUR MONEY.

Annual Meeting April 29 at Primo

Join fellow members and OPECU directors and staff on Saturday, April 29, 2017, for our Annual Meeting at Primo, 2605 Jackson St., Oshkosh.

It is an evening of eating, socializing, and learning about YOUR credit union.

If you haven't been to our Annual Meeting for a while, you will most

likely enjoy the way things are done now.

Since it IS the members' meeting -- YOUR -- meeting, you have the right to bring up any subject and to inquire about any or all of our services.

Please see your official invitation which is enclosed.

Thank you, Larry, for your years of service!

After many, many years of dedicated service, Larry Carpenter is resigning from the board AND his maintenance duties at the Credit Union.

He officially retires from OPECU duties April 29, at the Annual Meeting. We can't thank him enough.

While no one can truly replace him, OPECU has to put out the call.

We are looking for a new board member and/or maintenance person. If you are interested in either position or both, please speak with an OPECU employee. Thank you.

Keep connected through VB

Use our Virtual Branch to inform us of any changes to your life or account such as address changes, phone numbers or email.

All can be changed right on the screen. There's no excuse for a bad address anymore or the \$5 fee it will cost you!!

Let's get ready for summer fun! Stop in at our office to get discount tickets for Noah's Ark, Wisconsin Dells, and Six Flags. Check it out.
